Collected by: Arthur Burgess
Tide: _____ Date: III: 30: 1951
Method of capture: hook and line on private boat
Orig. preserv.: frozen Time: day

Mr. Burgess called in my absence.

Arthur Burgess called about this fish,
describing it roughly and indicating
that he had taken it to H.C.M.
Spent time for identification. He left
it in their freezer. He said the fish
but had not given me more fight.

(1515 Torrance, C.V. 6-1270)

Wissen to pick up specimen today.
